

What is Anger?

Anger is a difficult feeling. When you're angry, you might do bad things that you wouldn't do if you were happy. But did you know that it's normal to feel angry from time to time? It happens to everyone.

Draw a picture of what you look like when you're angry.

A large, empty rectangular area with rounded corners and a dashed black border, intended for drawing a picture of oneself when angry.

What's something you say only when you're angry?

A large, empty speech bubble shape with a solid black border and rounded corners, intended for writing a response to the question.

What is Anger?

All sorts of things can make a person feel angry. Some people get mad when they have to follow a rule they don't like, or when another person is mean to them.

List some things that cause you to feel angry.
